Job Position: Crane Operator

Are you an experienced crane or heavy equipment operator looking for a role with steady, varied work?

KSI Construction is a family-owned company with more than 30 years in the industry, serving the Wisconsin dairy sector and expanding into commercial and residential construction. We operate multiple crews throughout Sheboygan County and are ready to help you step into a long-term role with room to grow.

Position: Crane Operator

The operator is responsible for the safe operation and basic maintenance of cranes and other equipment used to move, load, and unload materials. This role includes completing daily equipment inspections and performing all tasks in compliance with company safety standards and procedures. Our Link Belt 75-ton, 60-ton and Terex 40-ton hydraulic truck cranes provide over 100' of boom for all crane lift needs!

Job Requirements:

- CDL License
- NCCCO Certified
- Experience in the construction industry is a plus.
- Able to work in all temperatures and weather conditions.
- Must be able to work in a team environment.

Job Responsibilities:

- Operate cranes to lift, move, load, and unload materials, equipment, and other large objects
- Ability to sort material with equipment.

- Maintain radio communication with crew members while observing details on the ground.
- Observe hand signals from other crew members.
- Perform and log daily crane inspections.
- Monitor crane operations and identify malfunctions.
- Report and/or perform/assist with routine and scheduled maintenance on cranes as required.
- Inspect, adjust, and perform minor repairs.
- Comply with company and client policies and procedures.
- Support a zero-incident safety culture and assume personal accountability and responsibility for safe work practices in all projects, activities, and operations.
- Other duties may be required.

Full-Time Compensation and Benefits

- Hourly pay with eligibility for performance bonuses
- Benefits:
 - o 401(k) and 401(k) matching
 - o Dental, Medical and Vision insurance
 - o Paid Holiday and Vacation

Note: Crane operation is the primary role but will flex to include local trucking, equipment operating & assistance on crews when operating at job sites on a as needed basis.
